

Sovereign 2000 Smartflush

Vitreous China 4.5/3 litre Dual Flush Cistern For Mid or Low Level or Connector Wall Mounting

A classically styled compact 4.5/3 litre dual flush vitreous china cistern featuring low profile push buttons and easy to clean rounded surfaces. The **Sovereign 2000 Smartflush** cistern uses Caroma Smartflush technology to deliver a 4.5/3 litre dual flush toilet suite system. Due to the substantial water saving benefits achieved by the 4.5/3 litre dual flush system, the matched suites are suitable for multi purpose applications and can be used where authorised for septic installations. The cistern is for use in mid to low level applications. The low profile push buttons are easy to operate and have durable etched symbols to clearly identify the flushing volume.

Sovereign 2000 Smartflush Cistern: wall fix cistern – has a free fitting lid and is suitable for domestic and light commercial applications. A Care push button option is available. **Vandal Resistant Conversion Kit** – A simple to install conversion is available for the standard mechanism to lock lid onto the cistern, recommended for use in heavy use commercial areas.

Inlet Valve and Overflow: Bottom Entry Cistern – is available in right hand inlet as standard which is interchangeable and incorporates the Quietflow 2 inlet valve. Internal overflow only.

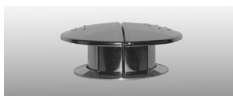

Important: Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant.

Matched Suites: The cistern is suitable for use with the following matched Caroma 4.5/3 litre suites: **Trident Sovereign 2000** and **Concorde Concealed Sovereign 2000**. This cistern may also be used with **Cosmo Care** S-trap pans and other authorised matched pans.

Fixing: The cistern is secured directly to the finished wall with simple alignment adjustment provided.

Installation: Refer to *Important Information for Plumbers* section.

Colours: White and ivory.
