Torres Invisi Urinal Suite

Vitreous China Wall-Hung Urinal with Invisi Cistern for Inwall, Induct or Inceiling applications

A general application wall hung urinal with integral trap. An adjustable spreader is suitable for installations with increased cistern head height. The spreader channels water to the front and back areas providing a wash down of the bowl on each flush. Available with back inlet and with a stainless steel grate as standard. Concealed cistern and plumbing fittings provide space saving, ease of cleaning and performance matched components to maximise low volume flushing efficiency.

Torres Invisi urinal suite inwall Code No.998105W and induct/inceiling Code No.998115W.

- Inlet:** Standard with back inlet for concealed pipes with 20mm O.D. inlet for connection with capillary or compression fittings.
- Outlet:** Two rubber connection seals are supplied for a push-on fit with 50mm O.D. brass tube and 50mm DWV plastic pipe.
- Cistern:** **Invisi Cistern** – Suitable for inwall, induct and in ceiling applications. Achieves a 3 star water efficiency rating when fitted to a single stall urinal. Inwall version supplied with a compact access panel and remote single flush button with stainless steel plate. Induct/in ceiling version supplied with remote single flush button with stainless steel plate. For other button, access panel and plate options available see 6.15.1.
- Fixing:** **Urinal** is fixed to the wall with – **D.232 Concealed support bracket**; cast aluminium natural finish supplied with cadmium plated locating bolts and fasteners. **Cistern** is simply mounted into position by clipping onto the two quick clip mounting brackets which are secured with screws to the studwork or induct brickwork. Cistern brackets supplied.
- Colours:** White only.
- Specification:** To specify use product code numbers. See Specifications Section 7 for further information
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
