

# Eon

Pictured:  
Eon 1800 Masseur Spa Bath

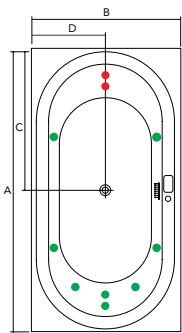

A distinguished blend of contemporary lines and edging, with a highly traditional oval bath shape, the Eon is truly a modern classic.

With its generous length, width, electronic control and carefully designed jet system the Eon is perfect for sharing with a partner in full comfort.

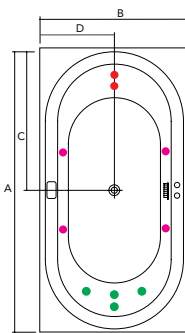

Also available as a bath.

#### Upgrade Options:

- Airforce System (10 Air Injectors)

Eon 1800 Standard
