Montego Spa Baths

Montego Body Therapy Spa Bath

Designed to deliver a resort-style experience, the Montego spa baths feature reclined side by side seating for two people, soft moulded headrests (removable for cleaning purposes) and integral arm rests for optimum bathing comfort. Available in three jet combination options, each designed to work on a range of body zones, delivering both relaxation and therapeutic benefits. All Montego spa bath models are fitted with a 1.25 HP hot pump and chrome semi-flush fittings as standard, with an electronic control pad. Upgrade options include an Airforce System.

Other available models:

Montego Masseur Spa Bath

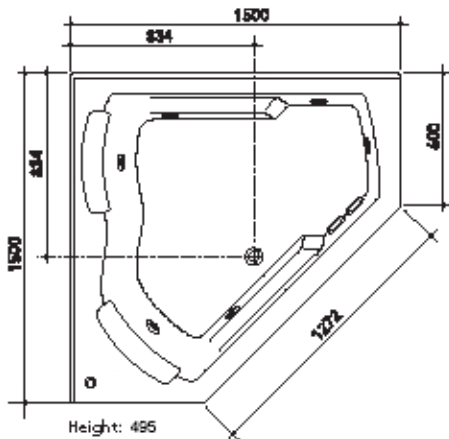

Montego Standard Spa Bath

smart thinking in bathroomware™

- 4 Maxxum jets
- 17 Thera jets

- Durability:** Sanitaryware grade acrylic resists chipping, will not rust and has excellent heat retention properties. Its high gloss finish has natural slip resistance. Minor scratch marks can be removed with metal polishes.
- Waste Outlet:** The reinforced waste outlet is suitable for 40mm diameter standard waste assembly.
- Bath Capacity:** 250 litres to working water level.
- Installation:** The spa bath is suitable to be installed for corner installations. The spa bath is to be supported continuously under its rim and the base to be supported in a bed of mortar slurry in accordance to the national building code.
- Colours:** White only.
- Pump Positions:** Based on mortar slurry installation as described above.
