

# Velocity

**Pictured:**  
Velocity 1700 Body Therapy Spa Bath  
with optional headrest

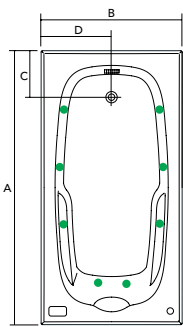

With a contemporary look, simple form and clean lines, this stylish rectangular spa bath is designed to compliment any modern bathroom. The Velocity has also been created with comfort in mind, featuring generous depth and integral armrests, allowing your mind and body to experience total relaxation.

The tiling flange on all four sides allows a greater number of installation applications and comes standard with electronic control.

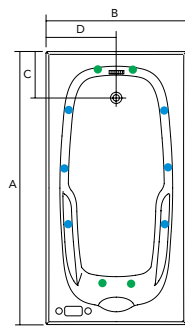

Also available as a bath.

### Upgrade Options:

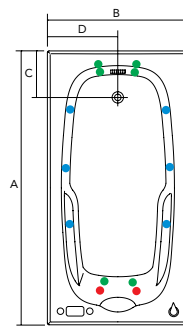

- Headrest as shown
- Airforce System (10 Air Injectors)
